DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 3/4/03 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the claims still have not have been amended properly. For example, the marked up version of claim 8 (amended 12/9/02) does not show all of the amendments made to claim 8, such as replacement of "claim 5" with "claims 5", and addition of "listing" as compared to last amended (i.e., the first amended) claim 8. [These particular changes introduce errors and thus should not be made.] Proper amendments to the claims, including the correct marked up copy of the claims showing all of the changes, for all of the claims amended 12/9/02 are required in response to this communication. The applicant must carefully review all pending claims to identify and correct all improperly amended claims. [Also, it should be noted that claim 24 was canceled because it appeared that in the response filed 12/9/02, nonelected claims were canceled, but claim 25 was listed twice and nonelected claim 24 was not listed. This was interpreted as a typographical error and that claim 24 was intended to be canceled. Finally, it should be noted that claim 27 still retains nonelected subject matter that should be deleted along with the rest of the nonelected subject matter.] See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Certain papers related to this application may be submitted to Art Unit 1636 by facsimile transmission. The faxing of such papers must conform with the notices published in the Official Gazette, 1156 OG 61 (November 16, 1993) and 1157 OG 94 (December 28, 1993) (see 37 C.F.R. § 1.6(d)). The official fax telephone numbers for the Group are (703) 308-4242 and (703) 305-3014. NOTE: If Applicant does submit a paper by fax, the original signed copy should be retained by applicant or applicant's representative. NO DUPLICATE COPIES SHOULD BE SUBMITTED so as to avoid the processing of duplicate papers in the Office.

Any inquiry concerning rejections or other major issues in this communication or earlier communications from the examiner should be directed to Terry A. McKelvey whose telephone number is (703) 305-7213. The examiner can normally be reached on Monday through Friday, except for Wednesdays, from about 7:30 AM to about 6:00 PM. A phone message left at this number will be responded to as soon as possible (i.e., shortly after the examiner returns to his office).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dr. Remy Yucel can be reached on (703) 305-1998.

Any inquiry of a general nature or relating to the status of this application should be directed to the Group receptionist whose telephone number is (703) 308-0196.
